## ASSET OWNER TECHNICAL ADVISORY COMMITTEE – CALL FOR COMMITTEE CHAIR

The PRI Asset Owner Technical Advisory Committee (Committee) is one of the strongest drivers for innovation in the asset owner community at the PRI. It has been in existence since 2015, supporting the PRI Executive (Executive) on programme development, technical guidance and convening of likeminded investors. Its pivotal role in empowering asset owners is anchored in the PRI's 10-year Blueprint.

The Committee is inviting asset owner signatories to apply for the position of Committee Chair (Chair). A detailed role description can be found <u>here</u>. Both existing Committee members and new applicants are eligible for selection. The Chair's responsibilities are also defined in the Committee's <u>Terms of Reference</u>. The Chair commits to dedicating sufficient time and resources to fulfil Chairing responsibilities, which include, but are not limited to:

- Chairing meetings;
- Advising the Executive regarding relevant Asset Owner insights;
- Providing the Executive with guidance and working with the Executive to provide leadership to the Advisory Committee as needed.

For reference view the PRI's existing Asset Owner work and current Committee members.

Applications need to be submitted to <u>assetowners@unpri.org</u> by the deadline of 4<sup>th</sup> June 2021.
