Signatory Users

This user guide is relevant for PRI signatory users.

Accessing the Data Portal

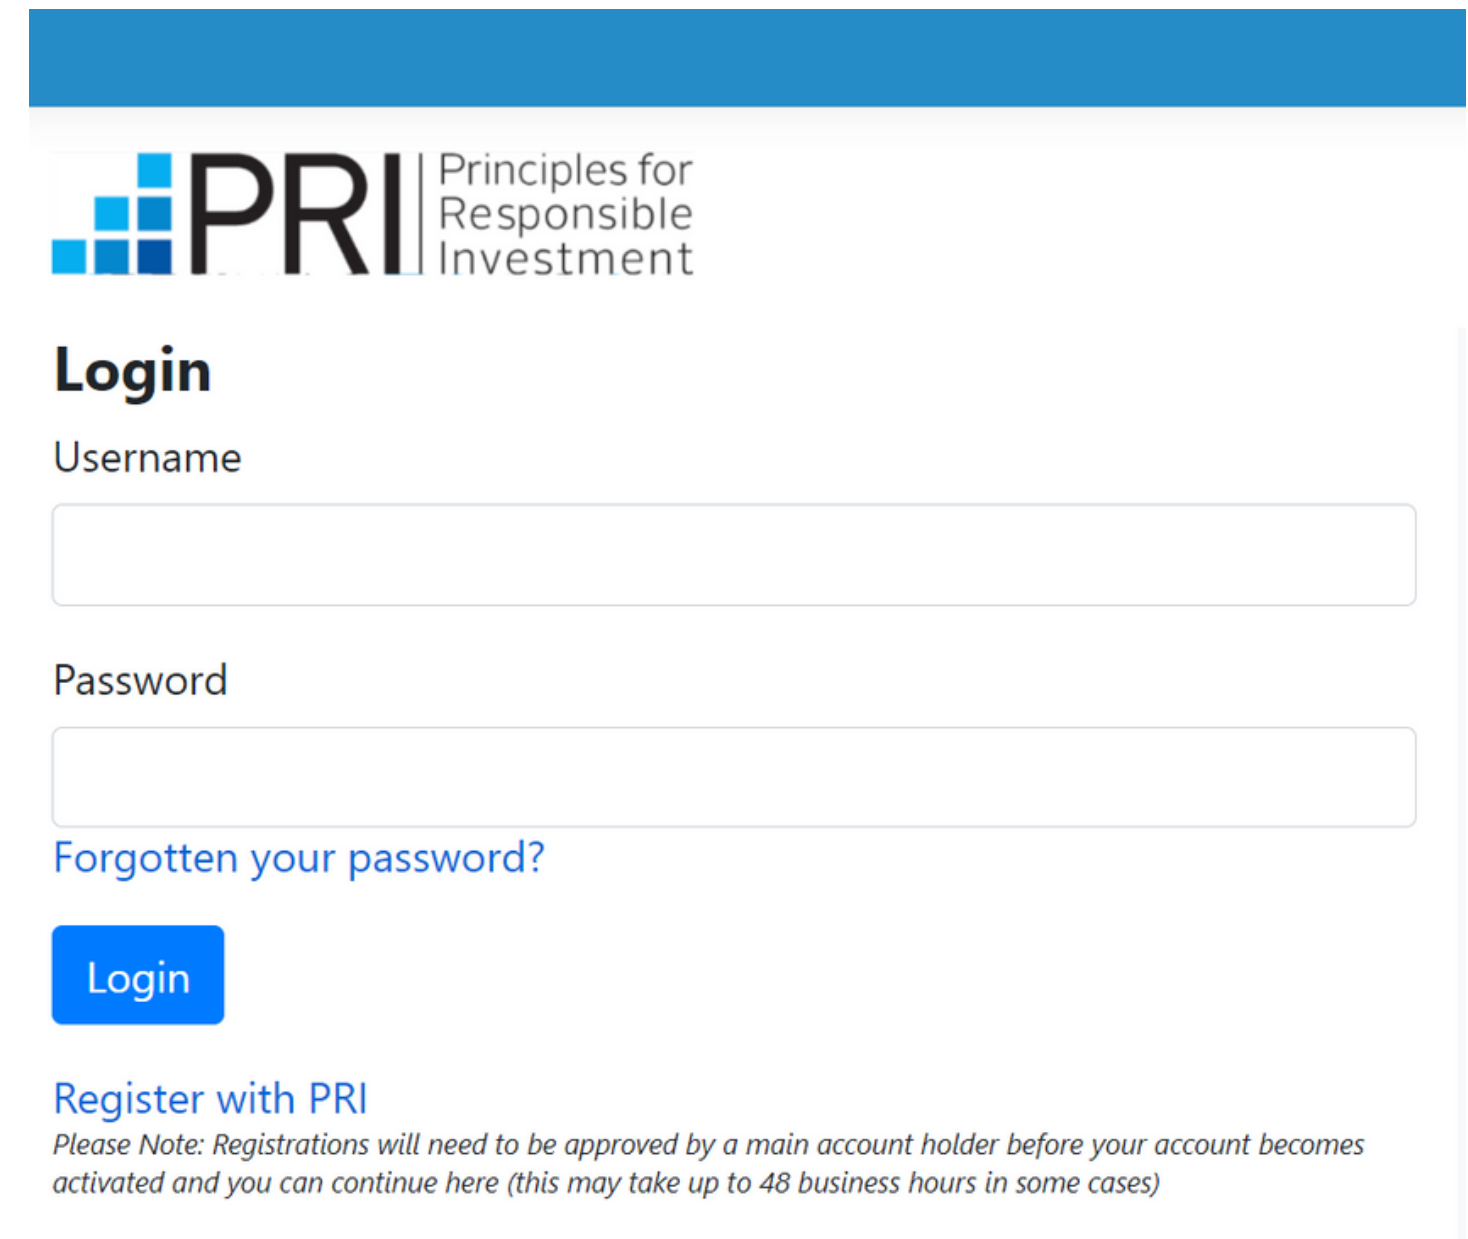

PRI signatories can **log in** to the Data Portal to view their own reports and the public reports of other signatories. Please see our [Permissions System guide](#) for information on how to log in and/or register for the Data Portal.

Users whose accounts have already been granted access via the Permissions System can log in to the Data Portal through [the PRI website](#).

An organisation's **Admin** users can grant additional staff access to the Data Portal.

See the [Permissions System user guide](#) for more information.

When registering, new users will need to accept the Terms & Conditions to access reports via the Data Portal.

DATA PORTAL

Welcome to the Data Portal.

The Data Portal is the PRI's central depository for the data that signatories report. It aims to provide signatories and other stakeholders with easy access to this data.

The 2023 reports are now available to investors under the Transparency Report and Assessment Report tabs. You can find more information on using the Data Portal in this [guide](#), while the 2023 assessment [methodology](#) and [guidance](#) provide more information on how we assess investors on their reporting. Service providers did not report in 2023. Please see our [FAQs](#) for more information.

Within the PRI Reporting Framework Glossary, we provide definitions for key terms to guide reporting on responsible investment practices in the Reporting Framework. These definitions may differ from those used or proposed by other authorities and regulatory bodies due to evolving industry perspectives and changing legislative landscapes. Users of this report should be aware of these variations, as they may impact interpretations of the information provided.

ALL REPORTING STATS

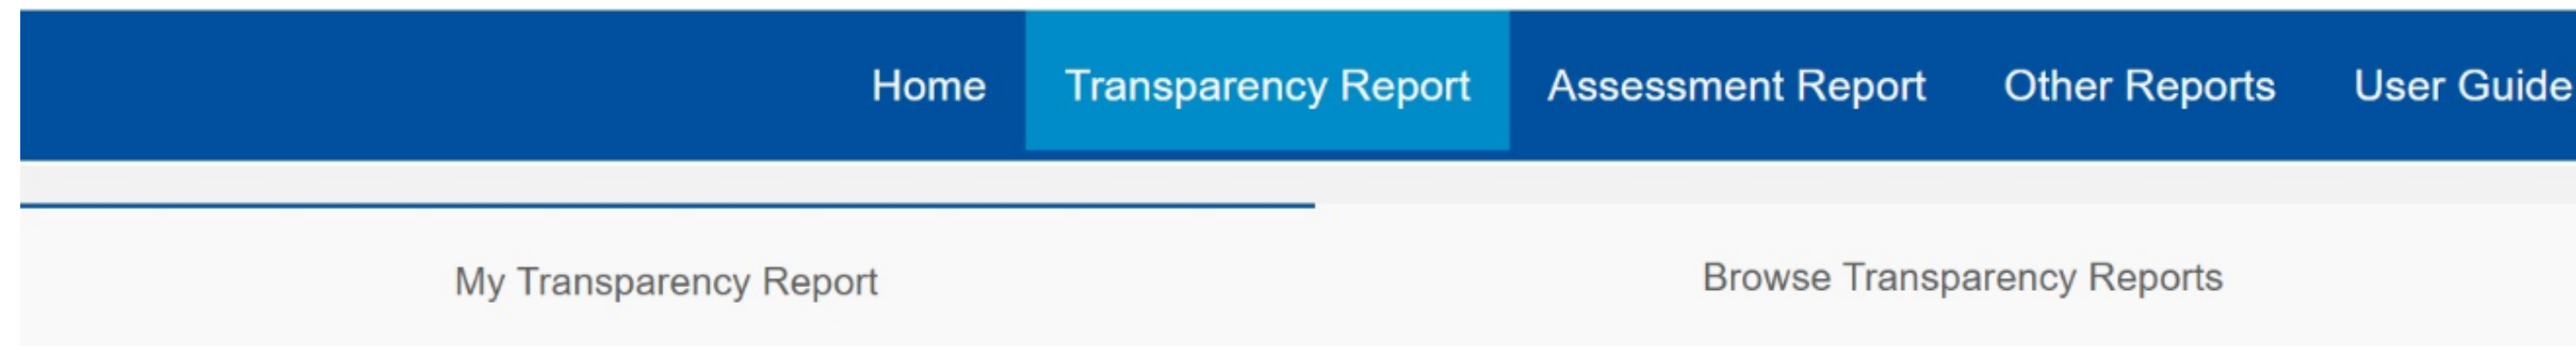

3589 Total number of IM reporters	678 Total number of AO reporters
107.52 Trillion USD Total reported IM AUM	45.70 Trillion USD Total reported AO AUM

1 If you have submitted on behalf of more than one organisation, you can move between them via the dropdown menu.

Signatories that did not report this year

Signatories that did not report will not have their own Transparency or Assessment Reports to view until they have completed a reporting cycle and submitted a response.

However, they can still log in to the Data Portal and view their historic private reports. Please see [Viewing your Transparency Report](#) for more details.

Signatories wanting to also view other signatories' public reports for this year, or those from previous years, can do so without logging in – see Accessing the Data Portal in the [Public User guide](#) for more information.

Historic public reports from 2014 to 2020 are available on the PRI website, under [Public Signatory Reports](#).

Viewing your Transparency Report

When you click on the Transparency Report tab in the upper right-hand corner, you will have the option to view your organisation's Transparency Report and to browse those of other signatories.

Under "My Transparency Report" you will see your latest public and private Transparency Reports.

The screenshot shows the 'My Transparency Report' interface. At the top, there are navigation tabs: Home, Transparency Report (selected), Assessment Report, Other Reports, and User Guide. Below the navigation, there are two main sections: 'My Transparency Report' and 'Browse Transparency Reports'. The 'My Transparency Report' section includes a 'Year' dropdown set to 2023, a 'Public/Private' filter with 'Public and Private' selected, and a 'View/Download' section with 'All Modules' selected. Below these are three dropdown menus for 'Module', 'Section', and 'Indicator', each with a circled '1', '2', and '3' respectively. At the bottom of this section are two buttons: 'DOWNLOAD PUBLIC AND PRIVATE REPORT (PDF)' and 'DOWNLOAD PUBLIC AND PRIVATE DATA (CSV)'. The 'Browse Transparency Reports' section features a search bar and a table of indicators.

Indicator	Type of indicator	Dependent on	Gateway to	Disclosure	Subsection
OO 1	CORE	Signatory category	Multiple, see guidance	PUBLIC	Categorisation

Below the table, there is a section titled 'Select the type that best describes your organisation or the services you provide.' with three options:

- (O) Fund management (1) This is our only (or primary) type
- (P) Fund of funds, manager of managers or sub-advised products (2) This is an additional (secondary) type
- (Q) Execution and advisory (2) This is an additional

1 All the responses for that a module can be seen by selecting that module from this dropdown menu.

2 You can also select to view a specific **Section** and a specific **Indicator**.

3 Download a copy of the full report in PDF or CSV format.

Viewing your Transparency Report

The screenshot shows the 'My Transparency Report' interface. On the left, there are three callout boxes:

- 1** (Public/Private): A radio button for 'Public' is selected, and 'Public and Private' is unselected.
- 2** (Year): A dropdown menu is open, showing '2023' selected.
- 3** (View/Download): Radio buttons for 'All Modules', 'Climate only', and 'Senior Leadership Statement only' are visible.

The main content area shows a search bar, a table with the following data:

Indicator	Type of indicator	Dependent on
OO 1	CORE	Signatory category

Below the table are two buttons: 'DOWNLOAD PUBLIC AND PRIVATE REPORT (PDF)' and 'DOWNLOAD PUBLIC AND PRIVATE DATA (CSV)'.

1

The public Transparency Report includes all CORE indicators (mandatory to disclose), as well as any PLUS indicators that you have chosen to disclose. The public and private report includes all responses.

2

2

Select the current year from the **Year** dropdown menu to see your latest report.

3

Signatories can choose to generate reports that only show their responses to climate-related indicators or the Senior Leadership Statement module.

Service providers did not report in 2023 but can view their other reports.

Browsing Public Transparency Reports

The screenshot shows a web interface for browsing transparency reports. At the top, there is a navigation menu with 'Transparency Report' selected. Below it, a 'Browse Transparency Reports' button is highlighted. A modal dialog box titled 'SELECT A SIGNATORY' is open, showing radio buttons for 'Investors' (selected) and 'Service Providers', and a search bar with the text 'Select...'. The background text reads 'No signatory selected'.

1 Click on "**Browse Transparency Report**" to see other signatories' latest public reports.

Click **Select a signatory** and a dialogue box will appear.

2 Choose between **investors** or **service providers** and type the name of the signatory in the search bar.

3 Select the signatory from the dropdown list to see their public Transparency Report.

Viewing your Assessment Report

When you click on the Assessment Report tab in the upper right-hand corner, you will see your latest Assessment Report. Assessment Reports are generated only for investors (asset owner and investment manager signatories) and are always confidential.

The screenshot shows a web interface for viewing an assessment report. At the top right, there is a navigation menu with tabs for 'Report', 'Assessment Report', 'Other Reports', and 'User Guide'. The 'Assessment Report' tab is highlighted. Below the navigation, the page title is 'My Assessment Report'. A callout '1' points to the 'Assessment Report' tab with the text 'Click the Assessment Report tab to see your module scorecard.' Below the title, there is a 'Table of contents' section with a dropdown menu currently showing 'Introduction'. A callout '2' points to this dropdown with the text 'Select the module to view from the Table of contents.' To the right of the dropdown, there is a year selector currently showing '2023'. A callout '3' points to this selector with the text 'Select the Year from the dropdown list.' Below the year selector, there is a button labeled 'EXPORT SUMMARY SCORECARD'. A callout '4' points to this button with the text 'You can export your summary scorecard.*'. The main content area below the table of contents is titled 'Introduction' and contains text about the assessment report's purpose and confidentiality.

*Your Assessment Report with indicator scores will be available in January 2024.

PUBLICATION GUIDELINES

As responsible investment practices have moved into the mainstream, PRI signatories are increasingly choosing to share their scores and Assessment Reports externally. The PRI encourages such transparency and has developed a set of guidelines to support signatories wanting to disclose their assessment results, to ensure they are represented accurately and consistently:

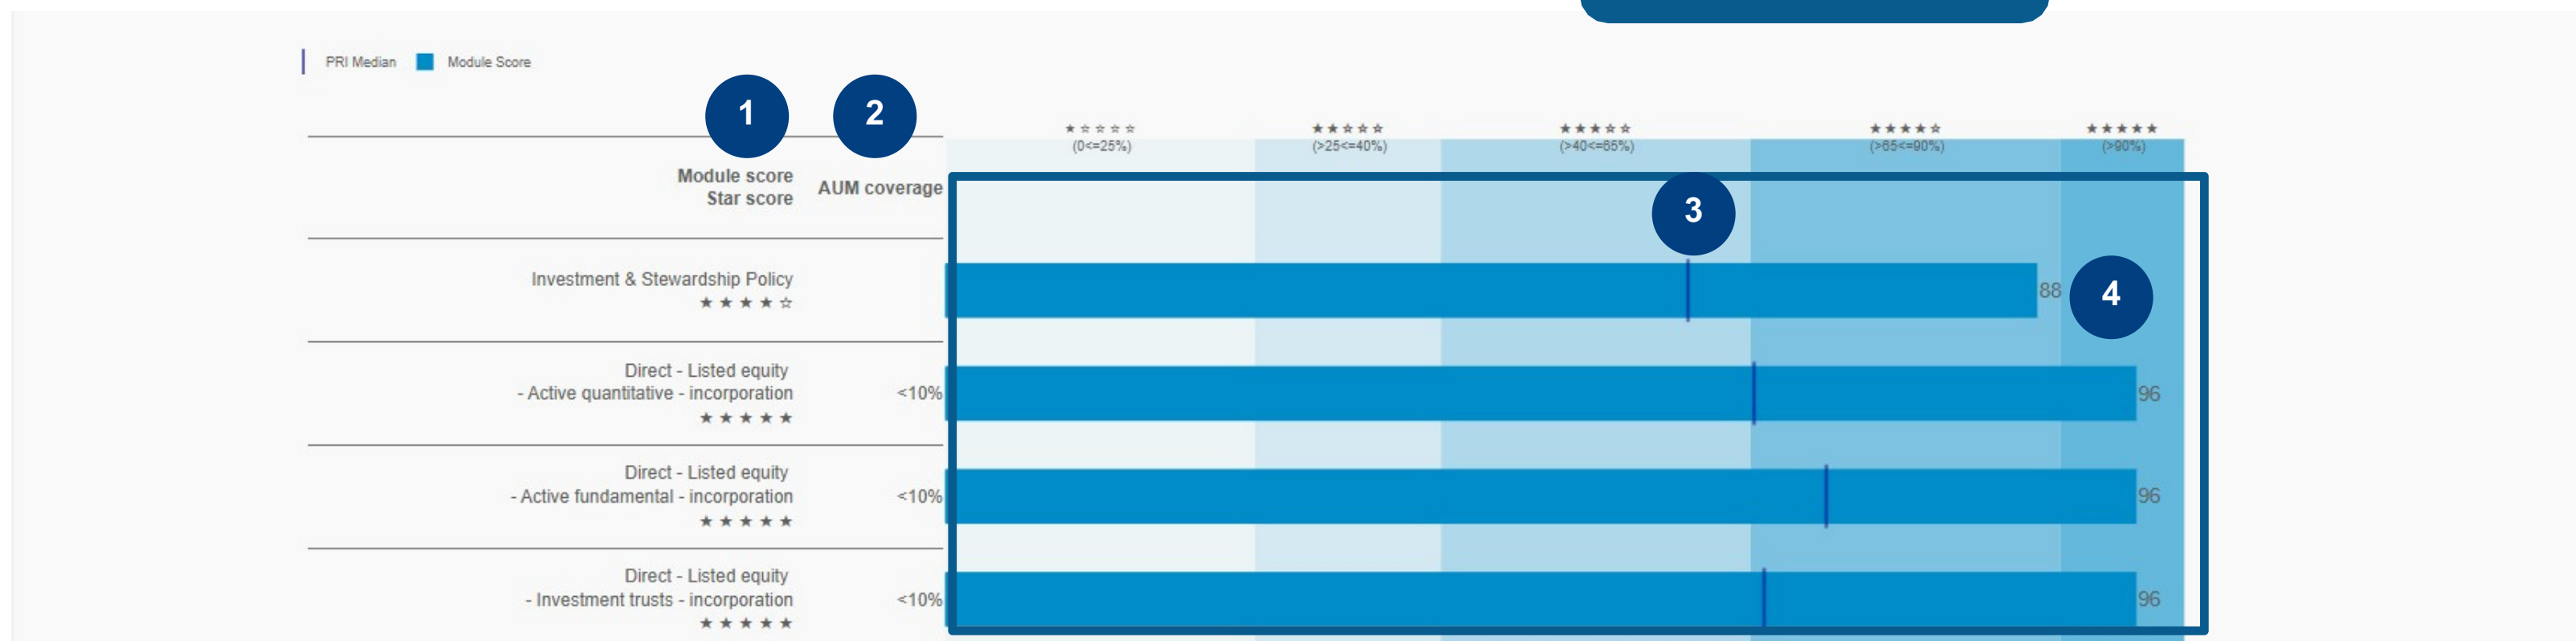

- Signatories should avoid portraying any single score as representative of an overall or average score.
- Signatories should avoid disclosing individual module scores in isolation and instead present them with the full Summary Scorecard, which contains all module scores, to ensure full transparency.
- Signatories should avoid disclosing individual indicator scores in isolation and instead present them with the full Module Scorecard, which contains all individual indicator scores per module.

Signatories that wish to share their private Assessment Reports, or the scores therein, with clients or external stakeholders should ensure they do so in line with the guidelines outlined below.

My Assessment Report – Summary scorecard

The Summary Scorecard provides an overview of your scores for each assessed module and/or asset class/sub-strategy. The PRI does **not** provide an overall organisation score. See our [assessment methodology](#) for more information.

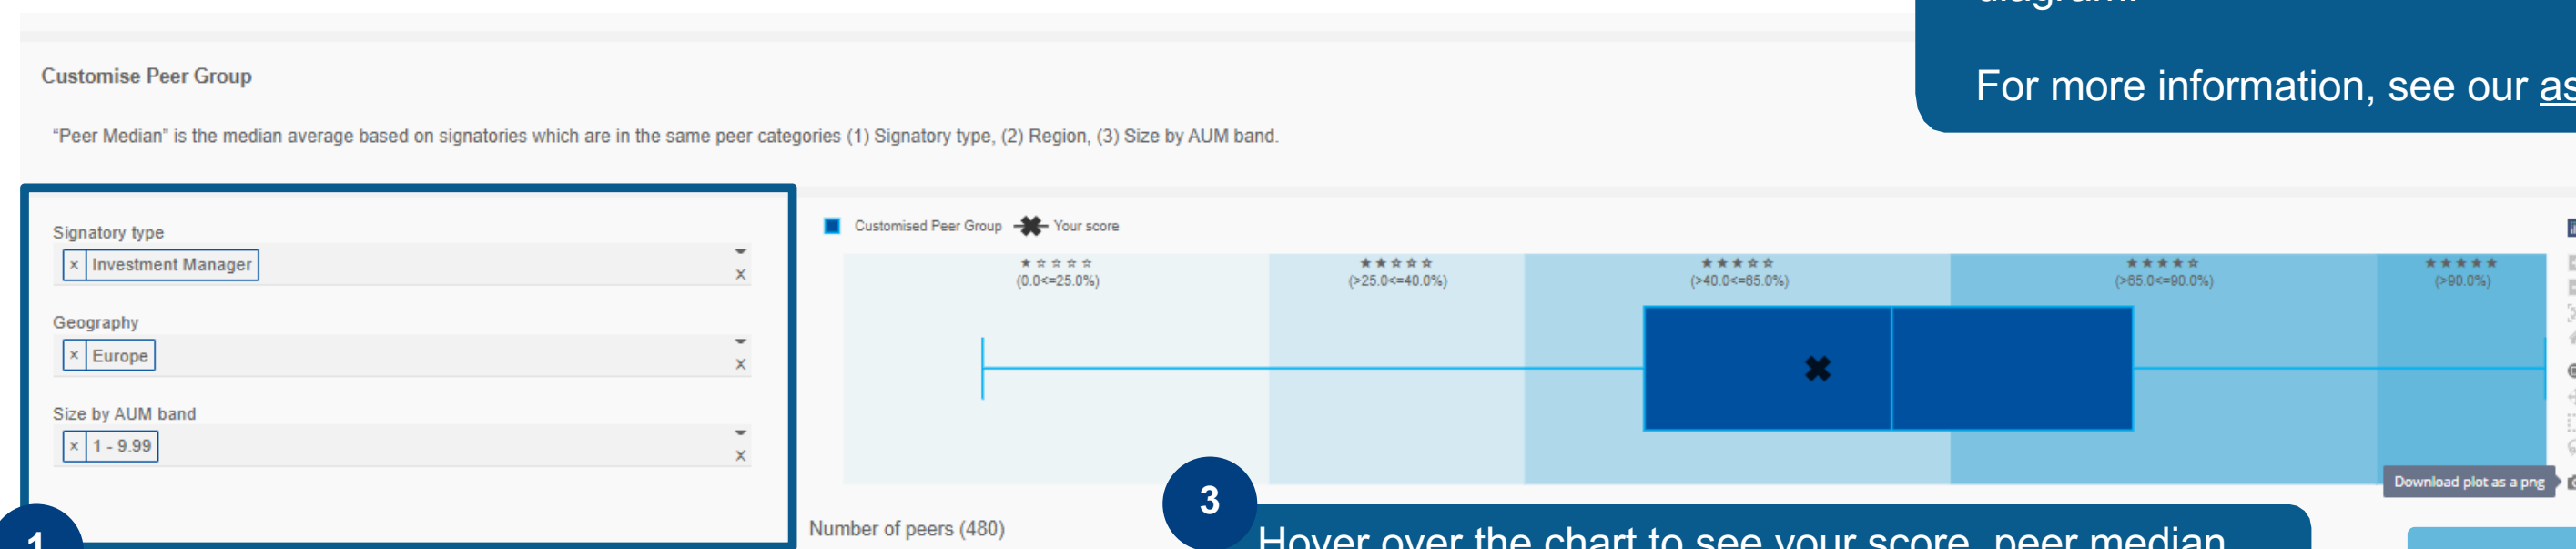

- 1 Your module star score for each assessed module is shown here.
- 2 The percentage AUM covered by the specific asset class and/or sub-strategy is shown here.
- 3 Hover over the blue line to view the **PRI median score***.
- 4 Your individual module score is shown here.

My Assessment Report – Customise Peer Group

For each assessed module and/or asset class/sub-strategy, the Customise Peer Group function enables a signatory to compare their scores to other signatories based on: signatory type, geography, and/or size by AUM band. The chart maps peer scores based on customisation. More detail can be found in the [high-level assessment methodology](#).

2 The scoring bands (based on stars) are visible across the top of the diagram.
For more information, see our [assessment methodology](#).

1 Make selections to view customised peer groups by signatory type, geographic region, and/or size by AUM band.
The default filter settings show your organisation's peer group, based on your responses in the Organisational Overview module.
Removing all filters will display the PRI median score.

3 Hover over the chart to see your score, peer median score*, minimum/maximum scores, and quartile scores.

4 Click on the camera icon to export a picture of the chart.

My Assessment Report – Module Scorecard

The module scorecard lists the points received for each assessed indicator within the specific module and/or asset class/sub-strategy. More details can be found in the [high-level assessment methodology](#).

2 You can export the full indicator scorecard in PDF.
